BOARD OF EDUCATION

Leslie I. Combs, President

Mrs. May A. Patterson, Secretary

Dr. J. A. Craig, Treasurer

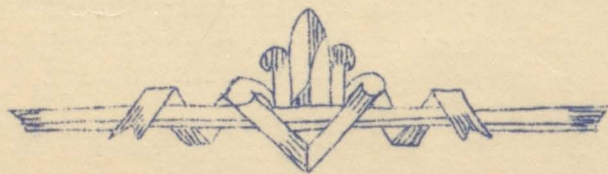

A decorative border surrounds the central text area. It features several sailing ships (masted vessels) and stylized clouds. The ships are positioned at the top, bottom, and sides of the border. The clouds are scattered throughout the border area.

## FOREWORD

Ships are used to express the theme in this, our third volume of the "Pioneer". We have thought of our school as a gallant ship which proudly started on another voyage in September; and because of the skillful guidance of our captain and the faithful co-operation of the crew, it has stayed on its course and has successfully accomplished its purpose.

# DEDICATION

Principal James W. Standley, the captain of our ship, has guided us through this active year of rapid growth and successful accomplishments. A complete understanding of the course, careful watchfulness, and the enthusiastic influence of his personality are attributes which gained for him the confidence and co-operation of his crew. We are pleased that we have the honor of dedicating to him this issue of our annual.

## THE PIONEER VILLAGE HAD DISTINCT EDUCATIONAL ADVANTAGES FOR CHILDREN

In the pioneer days, children had an intimate acquaintance with all aspects of nature. Work with animals and crops on the farm and with tools in the small shops were interesting realities. There was all out-of-doors in which to play. Consequently, it was not necessary for the little red school house to teach anything more than the 3 Rs.

## THE GROWING CITY DEPRIVES CHILDREN OF WHOLESOME WORK AND PLAY

The activities of the home which had educational value for children--the making of clothes, furniture, and food--are largely taken out of the home and shut away from children in factories. The open spaces of the farm have shrunk to a "yard", too small for real play. The school has grown to a three-story building but still teaches only the 3 Rs.

## THE WORK-STUDY-PLAY SCHOOL CREATES A CHILD WORLD WITHIN THE ADULT WORLD OF THE CITY

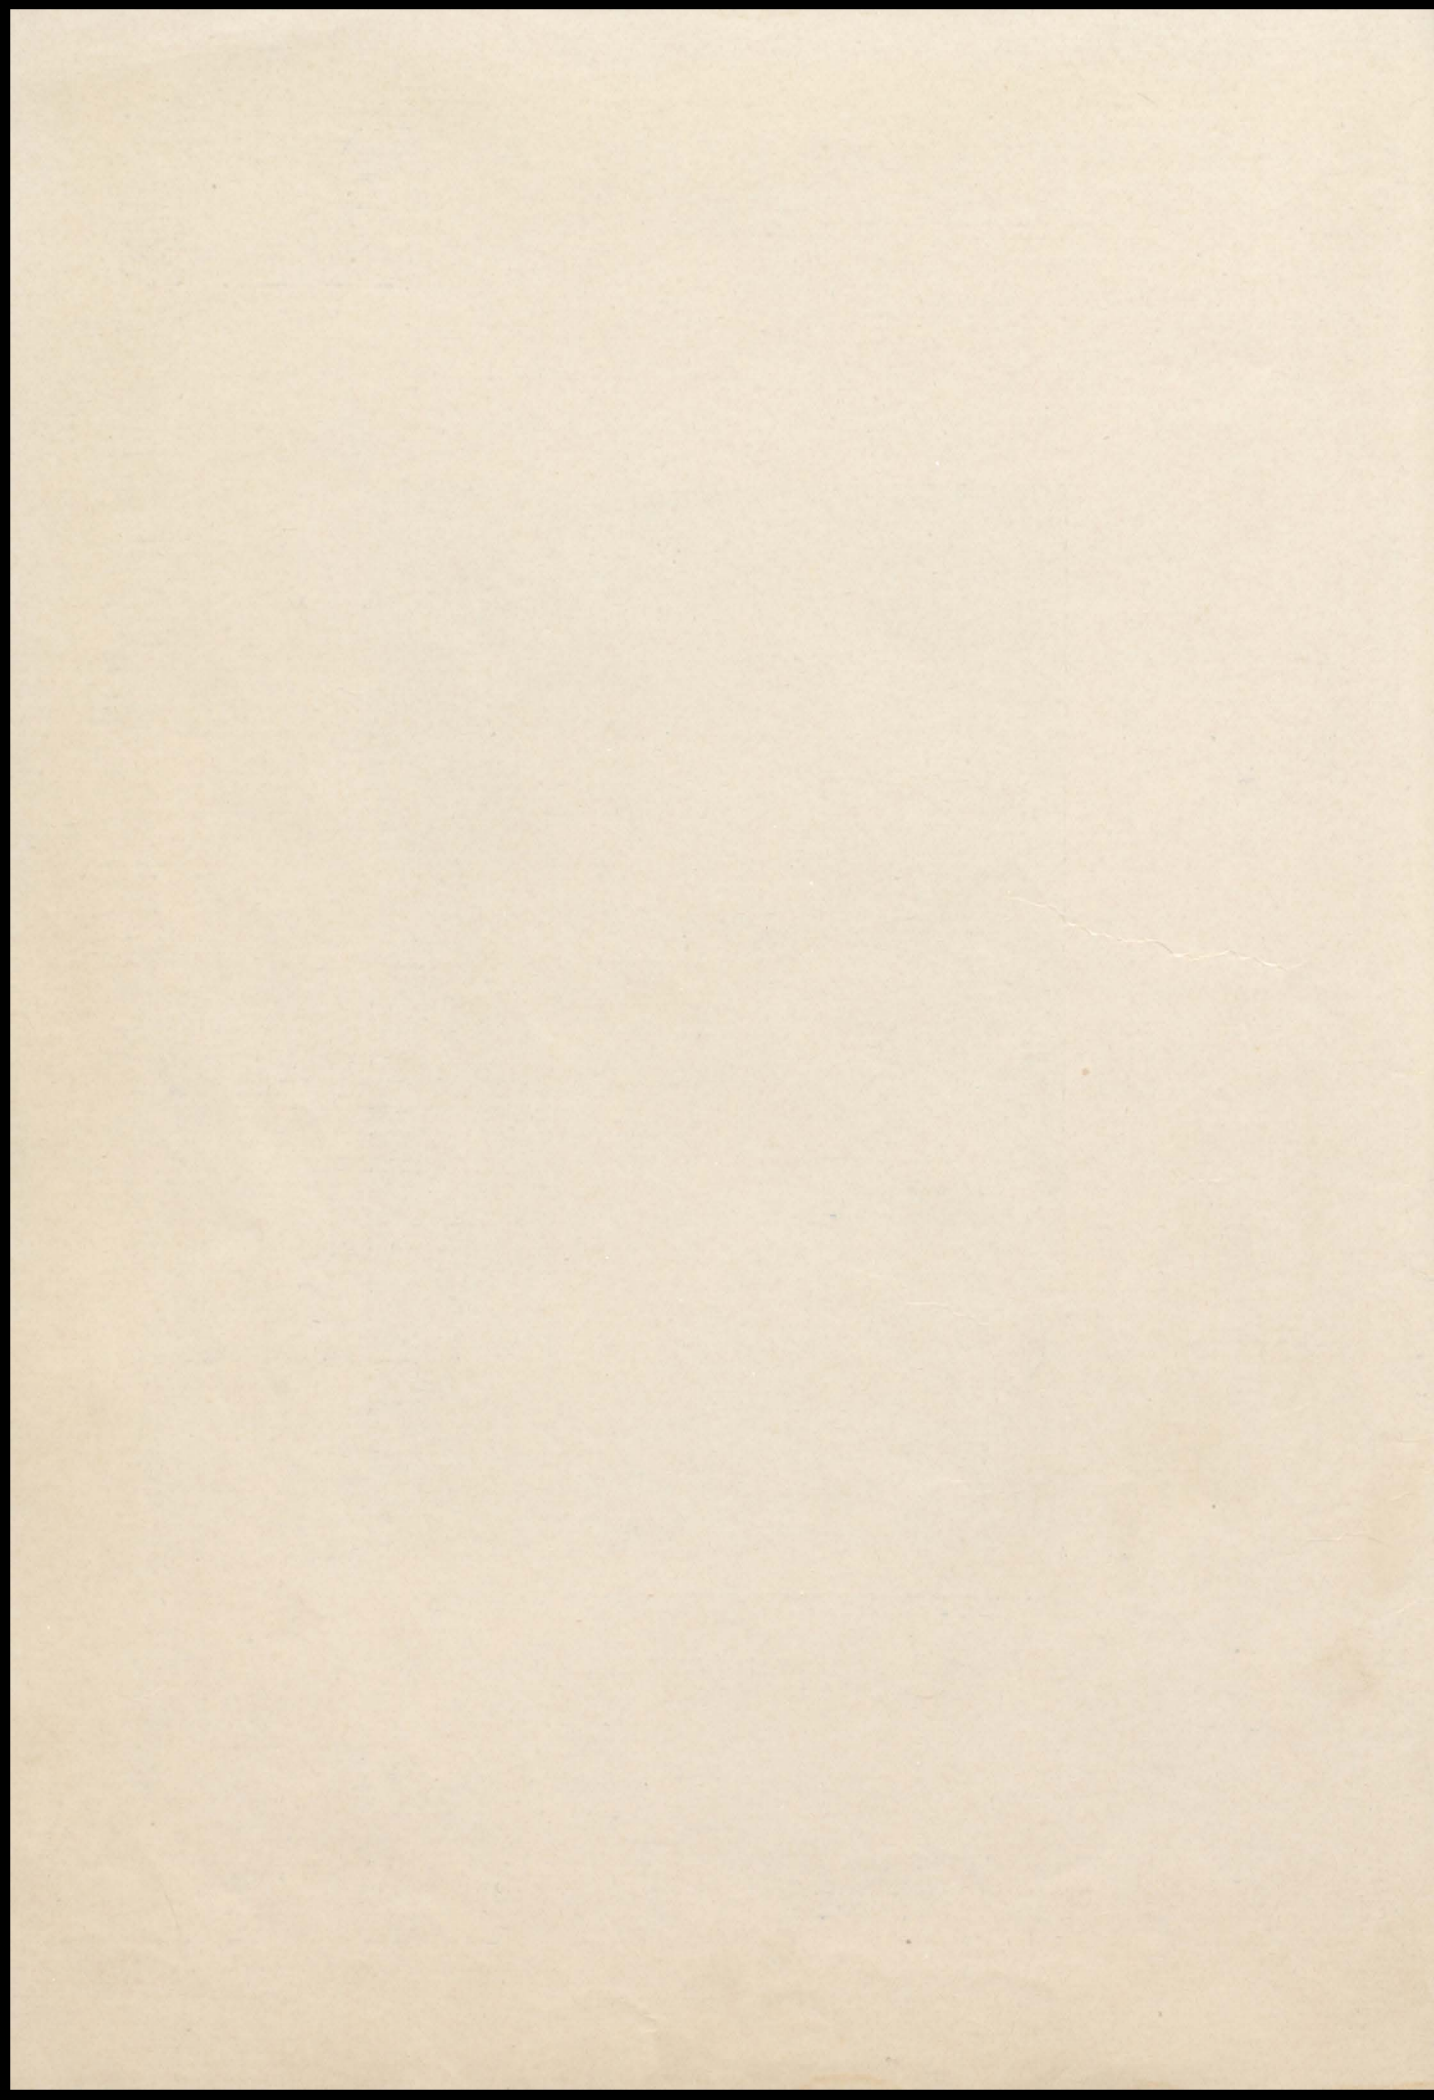

The school now has to return to children the opportunities for wholesome work and play of which the city has deprived them, and which are essential to every child's physical, mental, and moral growth. Because the platoon school operates on the "balanced-load plan", it is possible to provide not only a place, but time, for work and play as well as study for every child every day.

# HISTORY

"The old order changeth, - - - -"

- 1673 -- The first white man, Father Marquette, gazed upon the waters of Lake Michigan from the shores of the present Marguette Park Lagoon. This was a region of sand and marsh with Indian inhabitants.
- 1836 -- Lake County, with three townships and a population of less than 300, was established.
- 1858 -- George Tolle came from Pittsburgh, Pa. Tolleston, the first village in this region, was named after him.
- 1905 -- The U. S. Steel Corporation began the construction of the steel mills under the supervision of Judge Gary, and the city of Gary began its rapid development.
- 1907 -- Dr. W. A. Wirt founded the famous Gary School System which is regarded as one of the finest.
- 1910 -- Tolleston was annexed to the city of Gary.
- 1923 -- Tolleston School opened with one building, six teachers, and 281 pupils. Mr. H. S. Jones, supervisor of social studies, was the first principal.

1924 -- Miss Lola E. Percy began her work as principal. She directed our school through its development until the time of her death in January, 1934.

1934 -- Mr. James W. Standley became principal of Tolleston School. An addition to the East Building, more band and orchestra classes, another year of high school work, a commercial department, and entrance into the major intermural athletic contests are a few examples of Tolleston's recent rapid growth. The enrollment is approximately twelve hundred with thirty-two teachers in charge.

#### WHERE LIES THE LAND?

Where lies the land to which the ship would go?  
Far, far ahead, is all her seamen know.  
And where the land she travels from? Away,  
Far, far behind, is all that they can say.

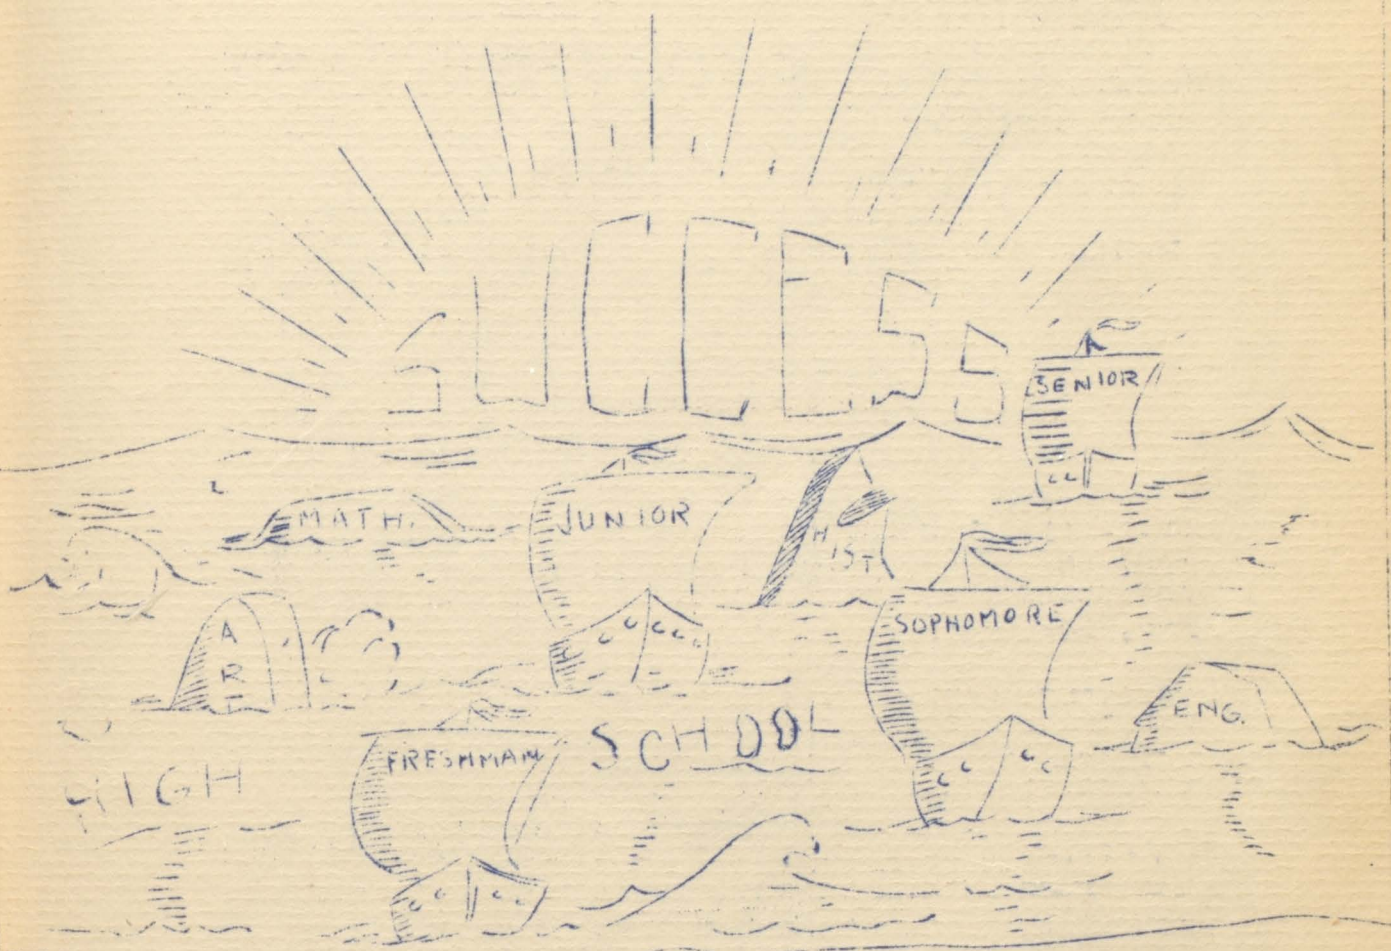

On sunny noons upon the deck's smooth face,  
Link'd arm in arm, how pleasant here to pace!  
Or, o'er the stern reclining, watch below  
The foaming wake far widening as we go.

On stormy nights, when wild northwesterners rave,  
How proud a thing to fight with wind and wave!  
The dripping sailor on the reeling mast  
Exults to bear, and scorns to with it past.

Where lies the land to which the ship would go?  
Far, far ahead, is all her seamen know.  
And where the land she travels from? Away,  
Far, far behind, is all that they can say.

-- Arthur Hugh Clough

# CLASSES

## SOPHOMORE CLASS

Dear friends,

Allow me to introduce our Sophomore Class which boasts of being the tallest and heaviest class in Tolleston. The total weight of our class is 11,094 lbs., and the combined height is 475 ft. Our sponsors weigh 540 pounds and their height is 17ft. 3 in.

Our class is the first Sophomore Class that Tolleston School ever had. When we heard that Tolleston was really going to have a high school, we felt very honored to think that we shall be the first graduating class. The Sophomore Class officers are Albert Lacey, president; Nick Matsey, vice president; and Eileen Romine, secretary. The class sponsors are Miss Ennis, Mrs. Plant, and Mr. Devitt. The Sophomore activities this year include: electing

representatives to the Student Council; electioneering and boosting one of our representatives, Ruth Papka, so that she was elected president of the Student Council; choosing our class colors; contributing many articles to "Tolly Times"; participating in the solo contest and "Pep and Harmony"; helping to make "Clarence" a success; furnishing outstanding athletes in football, basketball, track, and baseball. One of our members, Mary Slota, won first prize for making the best design for the cover of the "Pioneer"; and Nick Matsey and Vera Roski were elected by the Student Council to the positions of editor and assistant editor of the "Pioneer".

We shall wind up our Sophomore activities at the Sophomore Hop which will be held May 4. It is in charge of these committees:

Decoration:

Elizabeth Magura  
Harriette Sobotko  
Frank Gavelak

Julia Sum  
Phyllis Bielak

Program:

Irene Boerg  
Mike Tall

Emily Padol  
Rex Atchison

Eleanor Romanowski

Refreshments:

Mackey Wisneski  
Wanda Kolodziej

Edward Roskowski

Orchestra:

FRESHMEN CLASS

The Freshmen Class met and organized at the beginning of the school term. Rose Thrall was elected president; Helen Carden, vice president; and Bernice Gastel, secretary-treasurer. Faculty sponsors are Mrs. Gilpin, Miss Marsh, and Mr. Crane. The Sunburst Rose was chosen as the class flower and the colors selected were light blue and white. The motto, "Courage and conduct lead to honor," was adopted.

The following committees were appointed by the president.  
Flower Committee: Florence Stasco, Betty Rupcich, and Dorothy Dembicka. Calendar of Events Committee: Irene Uhrincheck, Margaret Tokash, Mitchell Grabek, and Mike Bellich. Finance Committee: Mary Shumylo, Helen Pavlick, and Joseph Tomaszewski. Refreshment Committee: Frances Olgy, Joe Szabala, and Kenneth Romine.

Two dances, "George Washington Dance" and "Moonglow Dance," which were given in February were attended and enjoyed by the high school pupils. The annual dance, "Freshman Frolic", will be held on May 11.

BLUE AND WHITE

Tune "O.W.U. Red and Black"

1. Tol-les-ton, -- Let us all unite and sing,  
Tol-les-ton, -- We praise your worthy name;  
Tol-les-ton, -- Loud let your accents ring,  
Tol-les-ton, -- With still increasing fame.

Chorus

Rah! Rah! Rah! -- Come cheer for Tol-les-ton!  
Sis! Boom! Bah! - For you we'll work with zest.  
Win or lose -- We're loyal everyone,  
Cheer! Cheer! for Tol-les-ton!  
The school we all love best.

2. Blue and White, -- Are the colors waving high,  
Blue and White, -- They hold victorious sway;  
Blue and White, -- Win first place is our cry,  
Blue and White, -- We laud thee every day.

SHE TOLD ME SO

1. My girl's so full of fun;  
She goes to Tolleston.  
Cheers at all the football games,  
Who told you so?  
She is so bright and merry,  
For she's the pride of Gary.  
How in the world did you find that out?  
She told me so!
2. My beau's outclassed by none;  
He goes to Tolleston.  
Plays in all the football games,  
Who told you so?  
He has won great renown,  
All o'er this Hoosier town.  
How in the world did you find that out?  
He told me so!

### THE BUILDING OF THE SHIP

"Build me straight, O worthy Master!  
 Staunch and strong, a goodly vessel,  
 That shall laugh at all disaster,  
 And with wave and whirlwind wrestle!"

\* \* \* \* \*

Fear not each sudden sound and shock,  
 'Tis of the wave and not the rock;  
 'Tis but the flapping of the sail,  
 And not a rent made by the gale!  
 In spite of rock and tempest's roar,  
 In spite of false lights on the shore,  
 Sail on, nor fear to breast the sea!

-- Henry Wadsworth Longfellow

"They sailed. They sailed. Then spake the mate:  
    'This mad sea shows his teeth tonight.  
He curls his lip, he lies in wait,  
    With lifted teeth, as if to bite!  
Brave Adm'r'l, say but one good word:  
    What shall we do when hope is gone?'  
The words leapt like a leaping sword:  
    'Sail on! sail on! sail on! and on!'"

ADVISORY COUNCIL The school is not as simple as it was in days gone by, and it does not have the same functions as it did generations ago. It is necessary that the school principal and teachers know what the parents want.

The Advisory Council of Tolleston School is made up of parents who meet with the principal once each month to talk over the problems of the school. The Council helps the community and the school to go forward together in the interest of their children on the basis of accurate information and mutual understanding. The members are asked to observe the work going on in the classroom and to be frank and critical. The principal, in turn, tries to meet every discussion, keeping in mind that the school is a co-operative society set up to give the children the best possible education.

The members of the Tolleston School Advisory Council are Mrs. G. Atchison, Mr. J. Bean, Mr. E. Brown, Mrs. E. Daniels, Mrs. F. Kurth, Mrs. J. J. Little, Mrs. S. Mahling, Mrs. H. D. Morris, Mrs. E. E. Powers, Mrs. R. Sefton, Mrs. L. Smeltzer, Mrs. J. Stevens, Mrs. F. Strickland, Mrs. G. Taber, Mrs. P. Vrabek, Mrs. G. Wiley, Mrs. K. Wittenberg, and Mr. F. Zaloudek. From this group the social committee is made up of Mrs. H. D. Morris, Mrs. R. Sefton, and Mrs. G. Wiley.

The Council visited Mrs. French's class and the auditorium this year and held conferences with Miss Southwick, English supervisor, Miss Harter, Auditorium supervisor, and Miss Engels, Mathematics supervisor.

Anyone connected with the school system is glad to explain his or her work to the Advisory Council. Explanations of the aims, methods, general policies, and procedures of the school system are gladly given, and criticisms and questions are welcome. The close relationship which exists between the Advisory Council and the school enables other patrons to be informed about school activities, problems, and conditions; therefore, the organization functions as a link between the school and the entire community.

ART Whistler was once asked if he did not need inspiration in order to produce a masterpiece. "Yes," he answered, "it requires one percent inspiration and ninety-nine percent perspiration."

It is a mistaken idea that one must be especially talented to study art. If he loves beautiful things and is willing to work, he will make good.

The subject matter includes Illustration, Design, Color, Lettering, Construction, and Appreciation. The objectives are:

1. To furnish opportunity for creative expression.
2. To develop thinking in terms of art elements.
3. To encourage participation in discussions.
4. To increase aesthetic taste and discriminating ability.
5. To lead pupils to enjoy and appreciate beautiful color combinations wherever found.
6. To encourage talented as well as less talented pupils to create as far as their abilities will permit.

7. To appreciate and enjoy the creative work of others.
8. To vitalize and clarify other school subjects through their co-ordination with art principles.

ART SALON Our art salon is on the third floor of the East building. The exhibit includes paintings by outstanding modern artists, silver cups and medals which were won by Tolleston students, and pieces of statuary.

The paintings are as follows:

"The Dune Stream" by Dudley, "Haze in the Hills" by Bessire, "Indiana Winter" by Aldrich, "The Road through the Woods" by Bundy, "Spring Morning" by Griffith, "Boquette Ranch" by Birreu, "Chief Little Bison" by Leighton, "The Road to Four Mills" by Young, "The White Horse" by Gleman.

The pieces of statuary include "Bust of Lincoln", "Winged Victory", "Paul Revere's Ride", and "Signing of the Declaration of Independence."

ATHLETICS The purpose of athletic work is to assist in healthful development of the body by the use of formal gymnastics, games, stunts, and dances.

Activities for the boys include football, basketball, boxing, handball, track, and baseball. Girls' activities include hockey, volley ball, captain ball, basketball, ping pong, handball, track, and dancing.

Results of the major sports, football and basketball, are as follows:

Football--Squad "A"

AUDITORIUM The auditorium is the correlating and integrating center of the entire school world. It is the clearing house for all school activities. The auditorium offers opportunity for drill in parliamentary procedure; presentation of impromptu and extemporaneous talks; production of plays, dramatic and non dramatic; and appreciation and interpretation of good literature.

The curriculum enriches the life of the individual, teaching him respect for the rights of others and developing in him such personality traits as poise, self-confidence, initiative, leadership, originality, and clear logical thinking. This "Little Theatre of the School"

BAND AND ORCHESTRA The band and orchestra are progressing rapidly both in the quality of music and in size. At present the concert band has 50 members with the following officers in charge: Merle Hodge, president; Michael Tall, vice president; and Wendell Bean, secretary and treasurer. Both the band and the orchestra have secured many new instruments this year, and the Tolleston Band Booster Club is making it possible for uniforms to be purchased in the near future.

Several concerts were given this year before the auditorium classes, during the community night programs, and during the Band Booster Club meetings.

---

BAND BOOSTER CLUB The Tolleston Band Booster Club was organized last fall for the purpose of raising funds to buy uniforms for the band members. Activities included card parties, dances, and production of plays. The officers are as follows: Mrs. Reside, president; Mrs. McConnachie, vice president; Mrs. Bean, secretary; Mrs. Henke, treasurer; Mr. Converse and Mr. Standley, general advisers.

---

BLUE MASK CLUB The twelve boys who played in the "Amateur Detective" are the charter members of the Blue Mask Club which was organized recently under the sponsorship of Miss Feather and Coach Devitt. Meetings are held bi-monthly. The purpose of the club is to promote dramatics among the boys of the school.

The entire coterie journeyed to a Chicago theatre as guests of the athletic department on Friday, April 12. They were chaperoned by Misses Feather and Ennis, Coach Devitt, and Principal J. W. Standley.

The names of the charter members are as follows:

Ralph Forney	Rex Atchison
Albert Dawson	Peter Someson
Merle Hodge	Louis Tomaszewski
Joe Szybala	William Latka
Floyd Nelson	William Schmidt
John Wallace	Richard Lewis
Robert Harms	Sam Vician
Everett McConnachie	Eddie Stevens

CANDY SALES You and I may not agree upon many things, but there is one thing we all agree upon--we like candy. Everyone likes candy. Perhaps not the same kind but whether young or old or tall or short, we all like candy.

Since October 25, 1934, the high school classes under the sponsorship of the Student Council have sold candy at school during the noon hours and at night shows. We started out with a small capital with which we bought our first order. We spread the news over the school and by the time the noon hour of the next day rolled around, it seemed that all of Tolleston School wanted candy. It was a hit! So the candy sales continued. Soon, instead of only four, we had at least seven varieties of candy at once. Out of about 25 kinds, Penny Peanuts, Milky Ways, Caramels, Chocolate Peppermints, and Spearmint Leaves have been the favorites.

Our total profit has been enough to pay for all the pictures in the "Pioneer".

A great deal of our success is due to the good salesmanship of Helen Pavlik, Erma Powers, Phyllis Bielak, Mary Kuzma, and Georgia Hamilton. The candy sales are managed by Marianne Zaloudek.

---

CORRESPONDENCE CLUB The Student Council sponsors the activity of writing to the sick. Any student of Tolleston School who is absent for a three day period is written a letter by a member of the Correspondence Club. It is composed of volunteers from Mrs. Plant's 1:15 English class. The secretary, Helen Pavlick, checks the attendance sheets and lists the names of those who should receive letters. Other officers are: Sam Vician, East Building postmaster; Chester Jamski, West Building postmaster; and Thaddeus Kalinowski, editor. To date, 487 letters have been written. The members of the club are: Elsie Vidmich, Bertha Mackey, Irene Uhrinchek, Sam Vician, Kenneth Romine, Helen Babyak, Helen Pavlick, Margaret Babinchak, Helen Carden, Myrl Lay, Tony Lazar, Katie Miller, Peter Baranauskas, John Komanecki, Nick Kelleman, Rose Thrall, Chester Jamski, Thaddeus Kalinowski, Florence Stasco, Victoria Romanchek, Joseph Tomaszewski, Margaret Kokinda, Wayne Underwood, William Guist, Stella Herma, Walter Olgy, and Mitchell Grabek.

---

COMMERCIAL WORK The commercial curriculum of Tolleston High School consists of those subjects which are fundamental in the modern business world. At present our course is limited. It offers bookkeeping, general business science combined with typewriting, and commercial arithmetic. The commercial course has been a popular one among all students, especially among those who do not expect to attend college. As a result of this growing demand, we expect to add shorthand and a regular typewriting class to the curriculum next semester.

The primary object of this department is to train the student for the business world. We aim to furnish him with an education sufficiently rich in a practical science so that having completed his training here at Tolleston, he is

ready to begin to build his career in business or to extend his learning to higher education.

---

COURTESY COUNCIL "Life is not so short but that there is always time enough for courtesy"--Emerson.

This phrase is so true, we should always keep it in mind. To do this at Tolleston with more spontaneity, a Courtesy Council was formed. The Council is composed of Harriet Sobotko, Merle Hodge, Irene Boerg, Lillian Zaloudek, Casimer Norwaish, Paul Papush, Oleta Dixon, Ernest Josefosky, Kenneth Romine, Blythe Strickland, Grace Yuraitus, Louis Keene, and Gene Geiger. Casimer Norwaish, a member who is skilled in art, made attractive posters.

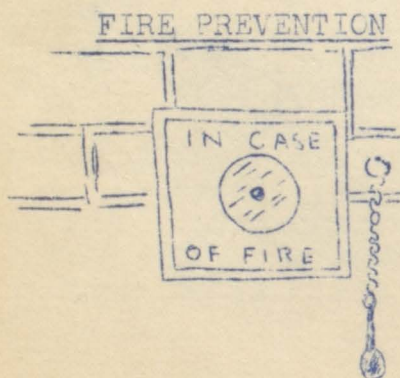

In Tolly Times, our high school paper, a Courtesy Corner appears regularly. The Wise Old Owl and his wise sayings on courtesy comprise this feature. Bertha Mackey won a contest by submitting over a thousand words made from the words, Politeness to All.

We know that the pupils of Tolleston will co-operate in making courtesy a spontaneous habit, for this brings about a good reputation for a school.

---

DANCE CLUB The Dance Club was organized and sponsored by the Booster Club for the purpose of offering opportunity to pupils who wish to learn to dance. Miss Ennis is the faculty sponsor. The club meets every Wednesday during the noon hours.

---

Every year during the month of October, Mr. Claude Holmes of the Gary Fire Department talks to the school children of Gary on "Fire Prevention". This year, as always, he urged every one to be careful because "carelessness causes countless conflagrations". Many helpful suggestions in removing fire hazards were presented by Mr. Holmes.

Mr. Standley in one of his monthly talks in the auditorium stressed the importance and necessity of fire drills in our schools. He related several incidents of panic-stricken crowds during fires. He also explained the Indiana state law on the subject of fire drills.

GARY POST TRIBUNE NEWS School news items are sent to the Gary Post Tribune for publication once every week. Mrs. Opal French, editor of Tolleston's news, selects and revises school articles and sends them to the school city editor. The school city editor works in co-operation with the Post Tribune staff in preparing the school page.

LATIN CLUB The "Latina Sodalitas" was organized at Tollestons School in September, 1934, by several members of the 9B Latin Class under the direction of the Latin instructor. The aims of the club members are to gain a more thorough knowledge of Roman life, customs, and language; to understand the practical and cultural value of Latin; and to interest fellow students in class and club activities.

The officers are Phyllis Bielak and Tony Wojtysiak, Consuls; Emily Winges, Censor; Mary Shumylo, Scriba; and John Andrey, Quaester.

The charter members are Anna Boblo, Josephine Bartkus, Peggy Benson, Phyllis Bielak, Alice Dombicka, Marie Freiss, Wanda Kolodziej, Alice Kuhn, Mary Nemtuda, Eileen Romine, Mary Shumylo, Blythe Strickland, Margaret Tokash, Emily Winges, Marianne Zaloudek, John Andrey, Wendell Bean, John Klym, and Tony Wojtysiak.

LIBRARY Tolleston School Library, opened in 1928, now owns a collection of twenty four hundred volumes including eight sets of encyclopedias and all standard single references.

Our magazine rack contains twenty five periodicals. Among the popular monthlies are: "The American Boy", "The Boy's Life", "The American Girl", "Popular Mechanics", "Popular Aviation", "Good Housekeeping", "Readers Digest", and "The Golden Book".

"Time" and "Scholastic", the national high school magazine, are received weekly. We also receive a daily paper.

Lately removed from the primary building, our library now occupies spacious quarters on the first floor of the high school building. Book shelves line the walls between the windows in our well lighted, new room. The library is used for a study hall as well as a reading and reference room.

MEDICAL DEPARTMENT The Medical Department of the Gary Schools consists of Dr. O. B. Nesbit, head of the department; Dr. Sue Thompson, assistant; Dr. R. J. Nolan and Dr. Lewis Clark, dentists; Miss Mildred McCullough, oral hygienist; and school nurses.

Miss Adeline Golkowski is the school nurse assigned to Tolleston. Her work includes: daily inspection of pupils who have been absent from school because of illness; stimulation of interest of pupils in the prevention of scarlet fever, diphtheria, and small pox; obtaining parents' consent for the school doctor to give immunization against these diseases; assisting school physicians when they examine pupils with physical defects and conferring with parents to try to have the defects corrected; administering first aid to pupils who meet with accidents which occur on the school ground; and giving talks to auditorium classes.

Dr. R. J. Nolan, dentist, examines the teeth of all children below the seventh grade. If dental care is needed, a card is sent to the parents; and, if they desire, the work is done. Once a year Miss Mildred McCullough cleans the teeth of children to whom dental care is offered.

Music News Items:

Our supply of victrola records has been enlarged. There have been thirty new records added.

Miss Yost has been aided while conducting the singing by several girls who play the piano. In this way, she is able to give her full attention to the singing. Those who

have been helping are: Marianne Zaloudek, Leota Gilson, Ruth Papka, Gertrude Nacke, Alice Evans, Florence Stasco, Sheila McBain, Charlotte Cisowski, Anthony Steponaitis, Katie Kellner, and Donald Sies.

Piano students are receiving four points for their work. Thus, the study of piano is classed as a solid. To earn these points the student must study the music required for her grade and must also hand in a weekly report of the hours practicing and a monthly report from her teacher. An examination is given in the spring. Those who are earning these points are: Marianne Zaloudek, Gertrude Nacke, and Leota Gilson.

NIGHT SCHOOL Perhaps no school activity has developed as much this year as our community night. Each Thursday many families, eager for wholesome entertainment, crowd into the auditorium. We have endeavored to present varied amusement, composed of the best day school auditorium programs and of offerings from the talented folk of our community. Mr. A. H. Jones, who presents our motion pictures, has been successful in securing excellent commercial films for our patrons. Thus, with this increasing growth of community night, it is quite apparent that the school is the center of activity in Tolleston.

Class work which is offered on Tuesday and Thursday nights include the following subjects:

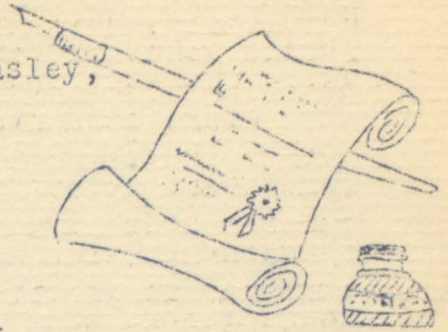

English	Shorthand
Sewing	Typewriting
Wood shop	Bookkeeping
Physical Education	

OUTSIDE READING A survey of outside reading, done by high school English students during the first semester, indicates that Tolleston pupils are familiar with their library and are reading as extensively as time and resources permit. After standards, by which a reader may evaluate a book, have been discussed in the English classes pupils are urged to browse among the books tasting and sampling all types. Annotated reading lists and posters point the way to books that others have enjoyed.

The books which the students read are recorded, together with the author's name, in a notebook kept especially for this purpose. The records of the first semester show that the 9B pupils read 1839 books, making an average of 15 books per pupil. The 9A pupils read 386 books, making an average of 9.9 books per pupil. The 10B's read 708 books, making an average of 7 books per pupil.

PALMER AWARDS Awards in Palmer Method of Handwriting were earned by the following 9B students this year: Mary Hortyk, Robert Fox, Dorothy Frank, Anna Gaydos, Irene Revers, Betty Johns, Martha Stack, Erika Wienert, John Hulick, John Kovach, George Piazza, Zelma Arnold, Doris Carlson,

Mary Monchilovic, Olga Bardowski,  
Katie Zuk, Anna Smar, Norma Barnard,  
Onika Lopp, Sophie Grata, Evelyn Beasley,  
Dorothy Garra, Harry Kaczorowski,  
Leota Gilson, Alvin Luzzatto,  
Edward Kohut, Marion Gonzales,  
Thomas Grecu, Donald Williamson,  
Bernadine Smith, Matt Pishkur,  
Joe Sawachka, and Aldona Andrews.

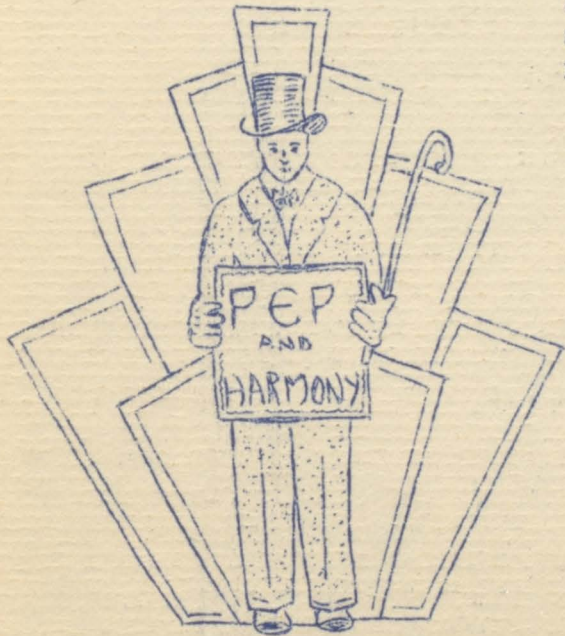

PATROL The Boys' Patrol Organization is sponsored by Mr. Crane under the direction of the Chicago Motor Club. Its purpose is to protect the school children on the streets, on the school ground, and in the halls so that accidents may be avoided. Throughout the year the boys were entertained every two weeks at the Family Theatre. Each boy carries an identification card and a belt.

The members are as follows:

Captain, Robert Clem, Lieut. Kenneth Olson, Donald Williamson, Sherrill Shough, Peter Sabau, Donald Sabau, Louis Warner, Aldo DeGard, William Vaseloff, Thomas Williams, Rudy Antala, Gus Antala, Buddy Brown, Albert Diamond, Stanley Benson, James Johns, William Johns, and John Harbovitz.

"PEP AND HARMONY" "Pep and Harmony", the annual chauce scuris, was a decided success and proved to be delightful entertainment to five audiences. The Student Council sponsored the production and had the following committees in charge:

#### STUDENT COMMITTEE

Blythe Strickland )  
Mackey Wisneski ) . . . Co-chairmen.

Ruth Papka Irene Boerg  
George Perzo William Latka  
Kenneth Romine

#### STAGE COMMITTEE

Joe Szybala Paul Filipovich

The acts were as follows: On Fifth Avenue, A Marital Melodrama, Up in the Air, Ball Game Chatter, College Rhythm, Modern Columbus, Chapeau Fantasy, A Desert Romance, Varsity Taps, Hicksville Band, Roman Water Carriers, Rollicking Romanies, Christmas Shopping, Station P-E-P, Saphapillio, and Stars of Tollywood.

"PIONEER" The idea to publish a school annual was originated in 1930. At that time it was called the "Tolleston Tattler" which was more of a comic sheet than an annual. It consisted of only about twenty pages. In 1933, it was decided that the name be changed for a more suitable one. The name, "Pioneer", was suggested by Miss Pearcy, our late principal. The "Pioneer" is financed by the candy sales and the sales of the "Tolly Times", our monthly newspaper.

SATURDAY SCHOOL Beginning in October, the pupils were again offered the opportunity of making up and strengthening their work by attending Saturday School. Both academic and special subjects were offered every Saturday morning.

The following report shows that many pupils avail themselves of the opportunity of Saturday School:

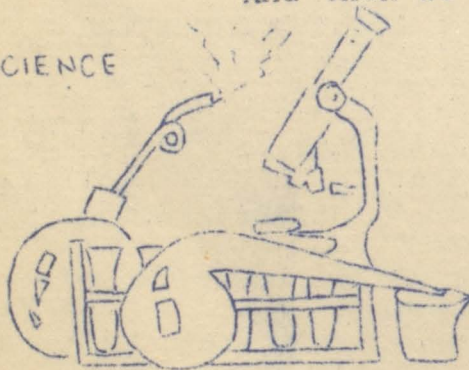

October 13 to November 10	-- 5893 pupil hours
November 17 to November 24	-- 2316 pupil hours
November 25 to December 8	-- 1509 pupil hours
January 12 to January 19	-- 2871 pupil hours
February 2 to February 9	-- 1335 pupil hours
February 9 to February 16	-- 1844 pupil hours
February 23 to March 2	-- 1720 pupil hours
Total	-- 17488 pupil hours

## SCIENCE

"Let us first understand the facts,  
And then we may seek the cause."  
--Aristotle--

## SCIENCE

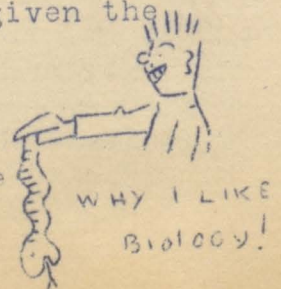

The goal of study in science is to give the pupil curiosity and desire to know the truth; to encourage him to organize the knowledge he may gain from his environment; to develop his powers of observation, and to understand the work in his home, state, and community which is applied to the principles of science.

Biology is a unit course in the fundamental functions of living things and the study of the way organisms live and their dependence upon one another.

A model of human torso given to the science class has added to the interest of the pupils. It was given the name of "Minnie".

One of the many special attractions of the science class is to go on field trips. Four trips have been taken this school year. A trip was taken to the stockyards, two to the Field Museum and the Shedd Aquarium, and one to the Lincoln Park Zoo.

SEWING In Tolleston School there are two high school sewing classes.

Each semester three garments are required from each girl. The first semester two outside garments and one under-garment are required. The second semester each girl has to make one woolen garment, one silk garment, and one made-over garment. Some of the girls make more than three garments a semester.

A style show was held in the auditorium on April 19 during which the girls displayed the dresses which were made in the sewing classes. Many patrons visited the school at that time and saw the style show.

SPEECH AND TRAINING Contrasting values are hidden in the treasure of speech. The manner of speaking has a direct influence upon your entire character. The students of the speech classes find it fascinating to study the various methods of speech.

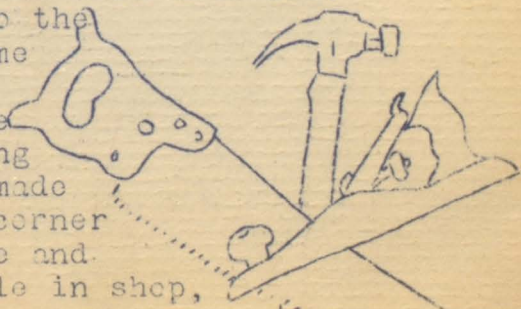

The students of these classes make it even more enjoyable by producing programs, using the knowledge they have acquired. Some of them change their personalities often. First you might see them as a shrewd, scheming old man, then perhaps as a withered old woman, and then as a spright, young child. The best of these plays are presented in the auditorium. Some of the more important plays of the year have been: "The Stolen Prince", "The Maker of Dreams", "Little Black Sambo", "Three Pills in a Battle", "A Marriage Proposal", "The Rehearsal", "The Lost Silk Hat", "Nerves", "The Dyspeptic Ogre", "Humpty, Dumpty", and the "Fatal Quest". The teachers of the academic classes have also presented programs for your enjoyment. "A Fall Festival" was presented by grade school music students.

Tolleston has had representatives in the city contests of speech. Blythe Strickland represented Tolleston in the Sight Reading Contest, and Adele Taub won distinction in the grade Declamatory Meet. "Manikan and Minikin" was our junior high school play and the "Birthday of the Infanta" the grade school contest play. "The Maker of Dreams" was presented as the high school play in the City Festival.

The actors and actresses you enjoy so much have had a great deal of training in speech work. The value of this study can never be entirely lost no matter what walk of life is chosen by a student in years to come for you use and hear speech continuously; therefore, it cannot be ignored.

SHOP The woodshop classes of Tolleston School are over crowded, but still our young ambitious carpenters work to make both large and small useful household articles. These one hour classes seem long to the loafers, but to the workers the time passes rapidly. A large amount of various kinds of tools and wood are used every day by the boys in making articles. Many things which were made by students are on display in the corner of the woodshop. It takes patience and courage to make something worthwhile in shop.

and our boys have them by the looks of their work.

SPANISH CLUB "El Club Espanol" was organized at the beginning of the second semester in order to develop leadership, to increase interest in Spanish, to give practice in speaking Spanish, to understand the customs and geography of Spain, and to afford recreation.

The first president of the organization is Mary Rose; the first vice president is Irene Boerg; and the secretary-treasurer is John McClure. Other members of the club are Emily Padol, Eleanor Romanowski, Helen Mueller, Vera Roski, Bernice Krupa, Bernice Henke, Eddie Roskowski, John Vespo, John Lewontuk, Edward Teitge, Frank Gavelek, Tony Valake, and Claud Truax.

The standing committees are the program and social committees. The membership and publicity committees have also been selected.

It was agreed that two meetings should be held each month, a social meeting and a business meeting. The social meetings will be held on Tuesday evening at 7:00 and the business meetings on Wednesday after school.

---

STUDENT COUNCIL The Student Council consists of two members elected by each high school class and three members elected by the faculty.

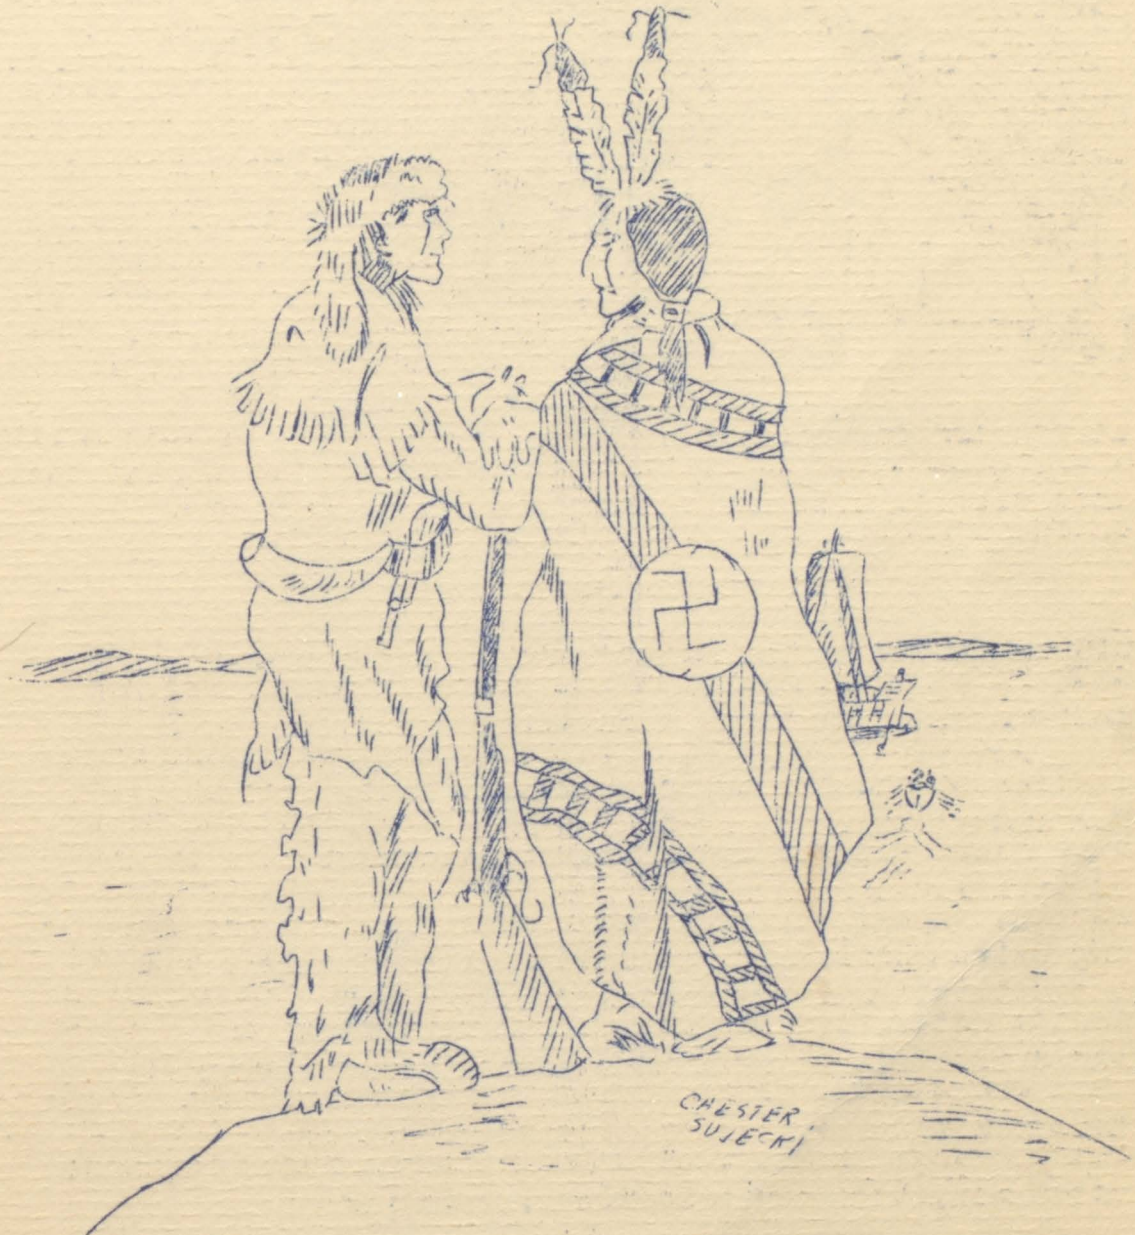

Activities this year include: approving the organization of the Booster Club, Latin Club, Spanish Club, Candy Selling Club, Correspondence Club, and the Blue Mask Club; arranging the social calendar; electing the editorial staff of the school newspaper, "Tolly Times", and the annual, the "Pioneer"; making decisions concerning extra-curricular activities of the school; and writing a constitution for the Student Government Organization. Social activities include a "taffy-pull" at the home of the sponsor in October and a theatre party in April.

The members of the Council are: Ruth Papka, president; Eileen Romine, secretary; George Perzo; Ralph Orth; Julia Kelly; Margaret Stepita; Henry Hallman; Norma Barnard; Peter Shepitka; and Lela Plant, sponsor.

---

STUDENT GOVERNMENT ORGANIZATION All high school students, teachers, and the principal of this school are members of the Student Government Organization. Its purpose is to unify all student organizations under one general control, to aid in the internal administration of the school, to foster sentiments of law and order, and to promote in all ways the best interests of the school. The constitution was ratified by a three-fourths majority vote on April 10, 1935.

"TOLLY TIMES" The first issue of "Tolly Times" was published in October. It includes news of the school, editorials, sport and social items, new words, cross word puzzles, and humor. Eight issues have been published this year and sold for 2 cents per copy. The proceeds are placed in the "Pioneer" fund. The Student Council is the editorial staff with George Perzo acting as editor, and Henry Hallman, the business manager.

# THE UNFINISHED BALLAD OF FAMILIAR NAMES

It was the spring of '35;  
And I felt a need of rest;  
So I packed my few belongings,  
And started a trip through the West.

I went in my Standley car,  
And took my Ol(dest) son;  
He expected to go very far,  
And have a Yost of fun.

At noon we stopped for Gas(ki),  
Red Crown is our favorite brand;  
We also got a free pass  
To hear a guitarist Strom, Strom.

We passed a beautiful lady,  
A lace Bertha made her fair;  
A Brown Feather was on her hat,  
And French Combs were in her hair.

We felt the need of food,  
Pis-cr cake would do;  
Then we stopped under a Greenwood tree  
And Conversed about you and you.

We drove very near a Marsh land  
By which there dwelt a Crane;  
He looked at my son, Dan,  
And disappeared down the lane.

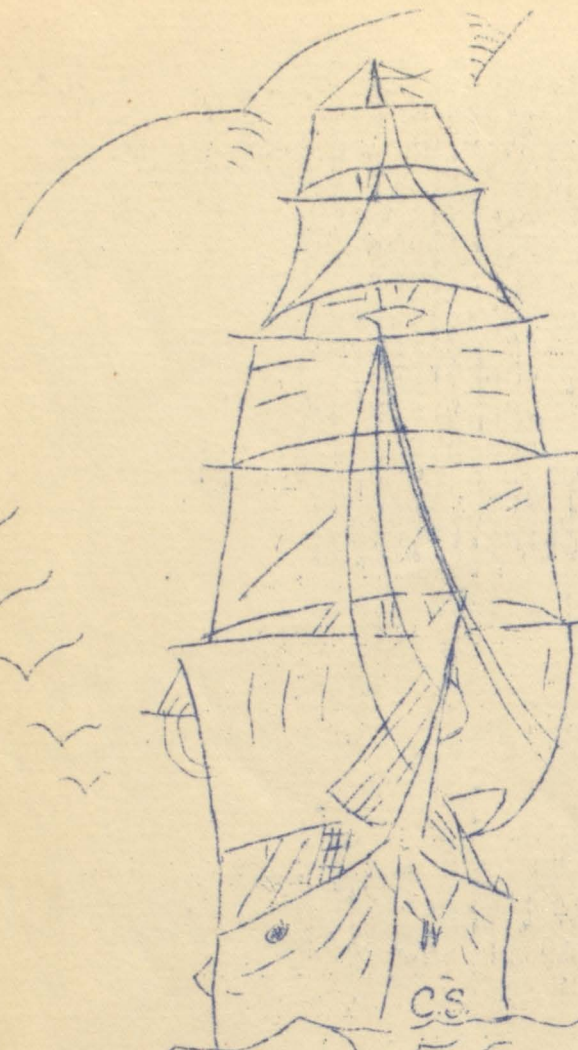

We went a little Foster  
And soon were on the go;  
En'nis proved to be costlier,  
Than if we'd not speeded so.

We found ourselves out of luck,  
Over a Wall-ace high we rode;  
We needed a Waggon-er a truck  
To un-Plant our heavy load.

Now this upset our plans,  
And we didn't Nawrot to do;  
--?--?--?--?--?--?--?  
Dear Reader,

We're still in the ditch!!  
To think of a way to get out and  
at the same time to use the  
names of Adkins, MacCracken,  
Herriman, Dwyer, Kasarda,  
Flaherty, Reddinger, Rossmann, Gilpin,  
Flick, Burke, Allis, and Devitt is  
too much for me.

# FINIS

"My task is done -- my theme  
Has died into an echo: it is fit  
The spell should break of this  
protracted dream.  
The torch shall be extinguished  
which hath lit  
My midnight lamp--and what is  
writ is writ,--"

Dear friends,  
I shall do you a great  
favor. The entire "Pioneer"  
staff is on this ship trying  
to rest after completing their  
publication. I am sure that  
you will never wish to see  
them again; so I shall keep  
them right here in the center  
of the biggest and the deepest  
sea.
